## B. PLANNING & CONSTRUCTION

1. On August 4, 1919 the Board of Trustees approved the preliminary plans and related documents prepared by Joseph N. Bradford and directed that complete plans and specifications be prepared at once. No record has been found of approval of final plans.
2. Bids were received on November 21, 1919 (T) and all were rejected.
3. Bids were again received on May 3, 1921. (T)
4. On May 5, 1921 the Board of Trustees awarded contracts to the following contractors:  
  
General: H. C. McCall Construction Co.  
  
Plumbing: William H. Conklin  
  
The electrical work was to be done by the University.
5. The above contracts apparently were for north wing only. Plans and other documents "for the completion" of the building were approved by the Board of Trustees on September 5, 1922 and the solicitation of bids was authorized.
6. Bids for "completion" of the building were received on November 10, 1922 (T) and the contract was awarded on the same day to E. Elford.

#### 7. Completion and occupancy:

The Board accepted the building from the contractor on April 10, 1923.

### C. COST

1. Listed by McCracken at \$23,753.85 (McC 4: 9A).
2. Carried in Business Office reports at the same figure, except that \$265.00 was added in 1958-59 to bring the total to \$24,018.86.

### D. DEMOLITION

The Board of Trustees on February 4, 1972 approved demolition of the building.
